

Ingham Veterans Golf Open 2018

Results

The 16th Annual Ingham Veterans Golf Open was held from 23 to 25 July. Ingham Veteran Golfers warmly welcomed and played host to golfers from Veteran Golf Clubs of North Queensland and visitors from NSW and from clubs in southern Queensland. Organisers were disappointed as the number of players participating was down this year but were informed that this decline in numbers followed the trend of all the events in the North. However, a total of 72 players representing 23 clubs played over the 3 days of the event.

Despite the threat of a forecast of light showers, play was conducted in almost perfect weather over the 3 days. Thanks to the efforts of the Ingham Golf Club Greens Director and his volunteer work force the course was in great playing condition.

On Monday 23rd July, 19 mixed pairs teed-off in the 4BBB Stableford event and such were the conditions that teams were rewarded with scores which reflected their efforts.
