

Tin Can Bay Team Triumphs at Mt Coolum in Sunshine Coast District Veterans Ambrose Event

Mt Coolum, QLD – August 18, 2025 — The Sunshine Coast District Veterans Golfers Association delivered another memorable day of competition and camaraderie at the picturesque Mt Coolum Golf Course, hosting a full field of 144 players for its annual 4 Ball Ambrose event.

Representing all ten Sunshine Coast clubs, the diverse field included 20 enthusiastic lady golfers, highlighting the inclusive spirit of the district's veteran community. Under clear skies and ideal playing conditions, teams battled it out across the lush fairways in a format that rewards strategy, teamwork, and precision.

The standout performance of the day came from the Tin Can Bay quartet of Ted Curtis, Rod Pilkington, Keith Hood, and Bruce Willoughby, who played off a combined handicap of 8. Their winning score of 54 was a masterclass in consistency and finesse, featuring 10 birdies and zero bogeys—a flawless round that set the bar for future competitions.

Following the on-course action, players gathered in the Mt Coolum clubhouse for a sit-down lunch and presentation ceremony. The relaxed setting offered the perfect backdrop for reconnecting with fellow golfers, sharing stories, and celebrating the enduring camaraderie that defines Sunshine Coast district events.

The Sunshine Coast District Veterans Golfers Association continues to foster community, sportsmanship, and spirited competition across the region. With events like this, it's clear that the love of the game—and the friendships it inspires—remain stronger than ever.
